One of my good clients wanted me to do an updated version of this classic. She's not a singer, but a song writer, and has decided to give singing a go! So, please be kind, but the track turned out great! All internal EDS effects, with my 2 new Behringer Synths, (Poly D, and Deepmind 12) and a 1978 Fender Rhodes. Let's see if I know how to attach a link!?!?

Sounds great! The meaning is pretty relevant these days, too.

Nice one, John.

Tasteful arrangement. And you're no slouch on vox either.

Thumbs up!
