Glad to hear it. This planet works (at times) because
of people like you.

Sounds very sappy, I know...

Ted

Hey man.. I didn't know you knew Mike Phillips. Dude's a monster sax player, ain't he?
It's sick. I asked him once during a session at Wayman's * hey man, what key is that in?* His reply? * I don't know, I just find the notes "

Hey Double A, how goes it? Yeah, I've known Mike for a few years now. I usually do background vocals for him when I'm on the road with Will D and others. He is alot of fun and always comes with jokes! Great quote BTW..."I don't know, I just find the notes "

It was indeed fun, to say the least! I enjoy working with the people I know
and equally enjoy meeting (and networking) with those who are new. Can't
beat it!
