Cool idea. I bought a Steinberger for that. Fits just right in my Samsonite.

Very cool.

I also got a Steinberger for airline gigs. Even though it's the model

with an actual body, with no headstock it's about the size of a tennis racket in the gig bag. Easy to fit in the OH.

Cheers

I saw these at a NAMM show some years ago.

Hi Jamie,

And it's alot less money than that centerfold guitar.

I've always wanted a guitar with imbedded crustaceans.
