I just want to share my happyness with all you guys...I live in small contry Croatia,and for past 12 years work very hard like producer and Dj,many times i think i will never be able to make something that will be heard out of my country...Yesterday RADIOEXPRESS servis published song name Disco Rollercoaster ..band name is Magnetic...it is completly mixed on Paris with Tubetech smc2b on master insert ..it is my biggest success....

Thank you all

Goran Stojiljkovic

Years ago, when I needed a new car, I also wanted an audiophile  
stereo system. I put 2/3 of the money I could have spent on the car into  
the audio system. Today the audio system still brings tons of listening enjoyment  
for me and others. The car has been  
replaced four times over...

Congrats on your achievements!

Ted
