Subject: Errors hooking up 2 Mecs, Can anybody help?
Posted by Kip Sonnier on Tue, 17 Jan 2006 06:12:43 GMT

I have 2 mecs, 3 eds cards. and i get a error in initializing paris engine.
Error code 18/12.
i also have the word clock cables plugged

Amd 2200
512 Ram
WinXp
