Oh good. VST3. NOW Paris is in trouble... ;o)

Cheers,
Kim.

Nice! Thanks for the info. I knew it was coming but not this soon. I just
ordered my upgrade which told me it would ship Sept 24th. $199 for a SX3 to
4 upgrade.

The new skins look kind of "Live-ish."

MR

I'll probably upgrade in a couple of years after all the users on the Cubase
forum finish beta testing it for Steinberg.
