@Admin, hope this is allowed, because this are real Paris Tracks

So enjoy and give Feedback if you can heare the Paris Sound ;-)

Best regards Dan

So we have got a new Production with Ensoniq Paris here. I have used it for "Glück Auf" Game.
A Computer 4 Player Game for Android. It was programmed by APPIDEMIC Studios for the Game
Company Eggerstein.

But i feel a little bit sorrow, because noone can here how great Mikes DP Pro Hall sounds there .

I hope its ok that i stalk everyone of you with those Paris news !

Best Regards
Dan

Hey Daniel

Obviously this is late to the party, but really great production on this :)

Ted
