Selling a EDS1000 card with extra coolers on chips.

Fully working comes with small cable to interconnect with other EDS. I have only the small cable.

Regards,

Dimitrios

Hi Dimitrios.

Is that Dollars or Euros?

I have a friend here in Australia that may be interested, especially if it's still free shipping to Aus.

Cheers,

Kim

135 dollars sorry wrong conversion to euros, it is around 120 euros. Including shipping to anywhere.

Regards,
Dimitrios
