Alice Kramden (played by Audrey Meadows) - wife of Ralph Kramden (portrayed by Jackie Gleason)... one half of "The Honeymooners" (old TV show, which started out as a series of skits on the Jackie Gleason Show); husband Ralph would always threaten to "send her to the moon" when she'd say something he disliked, and would demonstrate just how he planned on doing so by shaking his fist at her while saying: "I'm gonna send you right to the moon, Alice" or sometimes more simply: "To the moon, Alice... to the moon".

In later episodes, the phrase: "To the moon, Alice" was often substituted with the more concise: "Bang, ZOOM!!!", accentuated by arm movments corresponding with each action... the vocalized sound effects of: "bang" and "zoom" indicating the

impact of the aforementioned bitchslap, and her subsequent and rapid ascension to the celestial body in question, respectively. The assumption was that everyone on the planet had seen "The Honeymooners" by that time, so a simple "Bang, ZOOM!!!" was enough to convey Ralph's intentions to the entire audience.

Neil, I was being ironic . . . pretending I didn't get it because DJ implied that only old folks would get it. But very nice job on the encyclopedic explanation. :)
