This is a multi-part message in MIME format.

-----090303080107060807090509

Content-Type: text/plain; charset=us-ascii; format=flowed

Content-Transfer-Encoding: 7bit

There were two versions of this app... one specifically for XP

Try the attached older version.

David.

Ah, but I attached the file! ;-) that means I win twice! :-)

David.
