No problem at all. Mostly I don't really have to do anything anyhow. :o)
...which reminds me, I need to do a backup. ;o)

Cheers,
Kim.

Hey Kim,
I've been getting some help here lately. This wouldn't have happened without

your installation and upkeep of the servers. You've been a most cool successor to Mr. Chuck..
Thanks for your time and effort.

Stone the crows????.....I like the sound of it...good expletive without being personally offensive. We don't have a lot of those over here. In fact, I can't think of even one at the moment.

It's a bit like "Stone the crows!" ;o)

....or the other classic... "Blimey teddy!!". ;o)

Mind you you don't get much of blimey teddy these days, or stone the crows,
or, in fact, strewth all that often. Strewth would be the most used.

Personally I like to make as much use as I can of Aussie slang. ;o) Hence
my standard response to "How ya goin'?" which is "Yeh, not too shabby mate...".
;o)

Cheers,
Kim.
