Finally willing to let go of the last of my PARIS rig. I have not used it for about 2 years now after building my last studio computer and transferring my files.

Here is what I have...

1 Black MEC - $50 plus shipping
2 Black C16's - $50 each plus shipping
2 EDS cards - $125 each
2 ADAT modules - $125 each
1 8IN module - $125
1 8Out module - $125

$700 for the lot and will ship for free in the US.

****The below will all be included if you buy the lot****

PARIS 1.81 installer CD (believe it will load without restrictions) I have Ver 2.01 as well but it is on floppy....hahahaha
PARIS 3.0 installer CD (will need the anti-PACE from someone)
Brain Tankersley PARIS instructional DVD
Original PARIS manual
MEC manual
8In manual
Origianl PARIS brochure

Thanks!
