Tom, do you know a repair guy named Bo Dixon here in Boston? He works out
of the basemant at New Alliance. He has done a few small things for me that
all work well. I have also heard some mixed reviews though.

Thanks much. I live in the sticks on a horse farm, so will go to the =
big city (about 19 miles) to get one. I'm not sure what a "crossover =
cable" is (multi-purpose?), but I will avoid anything with that name. I =

have a SCSI cable I will use with the MEC - anything special here?

Edna

"DJ" <animix_spam-this-ahole_@animas.net> wrote in message =
news:436fb716\$1@linux...

Edna,

This is a standard CAT5 LAN cable, not a telephone cable. Also, make =
sure
