Well I've lived all of my 47 years within an hour's drive
of TO...

(Also the studio is NW of TO, not NE)

Ted -

The studio looks like it will be a nice space to work and play. Keep the progress photos coming.

FWIW, I lived in Toronto growing up. We live in 3 apartments off Yonge Street. First at Sherbourne and Wellesley, the second just south of Yonge and St. Clair, and finally just north of Yonge and Eglinton. I lived there from '68 - '74 and attended grades 3 thru 9. My father taught at UT and retired from there in the early 80s.

Although on the East side (Cabbagetown) It's reno/upscale.

Hi Sandy -

Yeah I just remembered this, we talked about your father being involved with the Gibson Centre in Alliston, and them buying their piano from me...

Yes it is just West of Orangeville.
East Gary.

Peace,
