Isn't this cute?

This one is the kicker though, and elucidates my periodic rants better than I do:

Our economy is gonna bounce along the bottom for a while. This wasn't necessary. Now I hear the Democrats starting to harp on the economy and tie it ti Iraq. there is, most definitely, a connection.

<http://drsanity.blogspot.com/2007/04/selfless-narcissism.htm> I

and the following excerpt is something I've been ranting about here and elsewhere for years:

The Democrats and their glorious leaders, who have become so narcissistically invested in this country's defeat as a political strategy to accumulate power and "restore American honor", that they have--wittingly or unwittingly--decided to sell their countrymen out to the very enemy they are currently fighting. They mean well, of course. They do it for those wonderful 'selfless' reasons--like "peace" and "social justice" and all. They really support the troops .

Let's just ignore the fact that they bear considerable responsibility for the ongoing violence and death of our troops as they enable and encourage the priorities of the enemy. Why should the terrorists alter their homicidal behavior? It is working! People like Nancy Pelosi are living proof of the effectiveness of their strategy.

There really is a problem. It's a problem that has been aggravated and encouraged by the left in this country.....you know, the ones who don't quite understand that they will be the first to be slaughtered once they have thrown a wrench in the gears of those who are willing to protect them. They just do not get it. The Islamists parrot the leftist American Imperialist tripe that the leftists love to hear and ascribe to this country but the Islamists do it by design, to dupe the left into helping them destroy the protectors of the culture that the left hopes to protect by trying to appease those who will not be appeased until the leftists are either dead or are kneeling toward Mecca. Once it is too late, they can then whine about how pissed off they are that there's no separation between mosque and state...right before they are separated from their heads. I recognized it years ago. So did lots of other people.....funny, I didn't hear a peep out of OBama though.

OK.....now I'm of to rape the land.

bye.
