Hi Mike,

For some reason I am not able to PM you. I get an error message on your username.

Can you PM me please?

Thanks,

Hi Mike,

No worries. No matter what I do, the forum software will not let me PM you. Says "No such user in this forum" even when I hit Reply to your message in my Inbox. Weird.

I'm interested in your MECs and ADAT card. I'm not sure if you're trying to sell the whole set as a single system or not.

Please let me know about that along with what you would want for one or both MECs and the ADAT card.

BTW, what color are the MECs. Not critical, just wondering.

I tried a private message also and had the same problem as Brian.

I'd like to buy your 8 out card. How much plus shipping to Las Vegas, NV 89123 USA?

You can send info to:wayneandpaula@audio-audition.com

I have no idea what's up with the PMs, but messaging user "Mike Mullin" without the quotes (and with those capitals) seems to work better than the auto version which seems broken. I'll try to track the cause of the failure but try that for now and let me know if it works better.

Hi Doros,
I don't have any EDS 100 cards left.
The C-16 and the MEC module will cost you 75.00\$ USD each.
What is your address in Cyprus ?
regards,
Mike

(Mike probably knows where Cyprus is - I'd guess he was asking for your address in Cyprus so he can get you a shipping quote)
