hey everybody

an MP3
"fanfare for a fallen king"

by me, myself, jp jones
www.jpjones.net

i think this would make great
background music
for all the "news" shows
but i'm disgusted with the thought--
and i dont know how i'm going to get
anybody to pay attention--

any help?

<http://www.jpjones.net/music/fanfare%20for%20a%20fallen%20king.mp3>
thanks
jp
