Hi gang,

Updating. I've been in processing/shipping mode for about 2 weeks now. I ordered the backplate and a PCI and PCIe host for an XP and Win7 system almost 3 weeks ago from SWD. I'm expecting I'll receive it in about another week maybe two. Then I'll test several configs and report in.

Have a wonderful holiday. Best to all.

Wayne

Gee, That's a long wait.
I hope you get the goodies soon.
Hope they work for you as well.
Cheers,
Kim
