Just what you've been waiting for, a Freddie Mercury clone...

<http://www.vh1.com/search/search.jhtml?searchterm=mika&x =19&y=10>

Scroll down about halfway & watch/listen to the video.

Neil

I'd say its closer to Fine Young Cannibals.... and far away from Queen.
Heck closer to Abba with those disco bass lines.

Yeah, I thought that one got pretty close to being Freddy, including the campiness. I'm gonna watch this kid 'cause I'm a huge fan of Freddy's vocals. The upper register this kid has 'is' FM.. scary.
