I have \$800 burning a hole in my pocket.  
I will have two Motu 8pres which will give me 16  
mic pre channels etc...  
I also have two dbx586s that I am considering selling.  
I would want to replace the dbxs with a higher grade tube preamp for a "golden  
channel".  
However there are other things I like too.

Things I am considering are:

Universal Audio SOLO/610  
UAD dsp card project pak  
More microphones (current inventory- 2-akg414, 1 cad VX2, 1-behrnegermeasurement  
mic, 2or3-sm57, 2-Rode NT5, 1 Shure beta52)
