Hi John,

Aaron and I are thinking of coming up there earlier in the week. I'll likely be up there on the afternoon of Thursday, the 3rd. What are your plans for Thursday and Friday? I think Mr. Snortyhorse will be in the area then as well.

Thursday day is pretty cool. Thursday night an old friend from Texas is playing at Swallow Hill and I must attend. But always up for late night cocktails...

Friday day is open, but Friday night my daughter's dance showcase at school happens, and I absolutely have to be there from 7-10... Of course, late night cocktails are always a good thing...

Saturday day is free till 7:30, with a gig that night...

Swallow Hill ? I've heard of that place. I think some of my studio clients.....<http://www.waywordsons.com/> .....have talked to me about it. They may have played there before as well. Can't remember for sure, but IIRC, the word was good.

You up for some company there Thurs nite? I seriously wouldn't want to interfere with a reunion between old friends and would certainly understand if this wasn'tworkable. I'm just thinking that this might be an easy way to get some folks together in one room.

.....but then again, my thinking gets me into trouble on a regular basis.....

I'm thinking late night cocktails is the theme for the meet...I'd love to be there but alas my passport has expired and it looks like a minimum six week wait for a renewal...assuming of course I can find a Clergyman and a Lawyer willing to vouch for me

You don't need a passport. Denver is a \*sanctuary city\*. Everyone's welcome, and we won't turn you in.

though (I'd rent something else, but Mustangs are all they've got around here). If I was 40 years younger I'd just sleep in the car (or not sleep at all)

You know of any reasonable hotels in the area that would put up with an old reprobate like me? I'll promise not to mod anything.

I had to put a tranny in my wife's Windstar last week,  
\$1850. Kinda cramps the gear budget...

I'll be in Co. Springs on the 3rd. My gigs going to be a balls to the wall situation, time wise though, I doubt that I'll be able to break free, to get up to Denver.

I'm planning to try to arrive late Wed night, get some sleep and attack the town on Thursday/Friday/Sat. Still waiting on a call back to solidify those plans, but that's it the basics for me right now. Hitting the local AAA office for info today as well as doing some car road trip maintenance.

I will be looking for hotel/motel info the rest of today, any suggestions from the local dudes? Any sites, food, must-see stuff?

Aaron,

Looks like things are a go for sure. I just found out today. I'll be there Thursday night. Where \*there\* is, isn't known quite yet. Where would the best place to designate as "there"?

Lemme hit up AAA today, see what's good and see what kind of feedback we get from the local boys.. call you tonight? If you get a moment, I've actually started my vacation at this point throughout the week so I'm pretty open. I've only been to Denver once, and that was passing through about 10 years ago. Suggestions welcome :)

Places to see? I'll start the list with these:

- Red Rocks Amphitheater
- Museum of Nature and Science
- Denver Zoo

And, if you're into skiing, head West from here. Not sure when ski resorts are closing so be sure to double check their web sites.

I don't have any hotel suggestions other than that there are a lot of 'em from fleabags to new downtown highrises. So you can choose your level of luxury or lack thereof. :^)

Cheers,

Well, lunch Friday sounds like all will be available--my schedule still holds as above. I am working on my new studio in SE Denver and also at the one in west Denver... Pretty loose schedule other than the required stuff...

Email me and I'll send you my cell number...

Lunch on Friday works for me. Email me for my phone number (John, you have mail...).

Are you building a new studio, John? Maybe we could meet nearby and you could give us a tour.

Cheers,  
-Jamie

OK--I spoke to Jamie--it's Tai food Thursday  
lunch and Mexican Friday (or vice-versa) at a  
couple of our favorite joints--and a trip to  
Jamie's setup and both of my locations. Everything  
else up for the spur of the moment...???

Got any hotel names or locations?

I can do lunch both days since the places are nearby.

Thursday I have an afternoon commitment so I'd have to split at about 1PM. I also have an evening show (playing music with a comedy group at a public show in a downtown Denver theater).

Friday is open and I'm flexible for studio tours.

Saturday is swamped but if anyone's still around feel free to come out to my rock gig that night at the pub in Lakewood, they serve food so we could do a dinner thing before the show.

Cheers,

I'm leaving Tulsa within an hour or two... rooms are booked for DeeJ and myself. He said he's coming in town tomorrow probably around 2 or so, but we'll stay in contact via cell - I just probably won't be able to post updates ( not sure my Stinkular internet will work out there, raising the bar... on a running man riiight about throat level, LOL ).  
John and DeeJ have my cell if anyone needs to reach out to me on the road.  
Want to attend and see everything humanly possible.

Cool. Qwest is coming to my new studio space Thursday between 8&10 AM to put in phone and dsl--should be good for lunch around 11ish--maybe by you Jamie? US Thai? Still want to go to Swallow Hill for the early show that night.

Friday I should be good for lunch around the same time, then some afternoon tooling around--have to be at my daughters dance showcase around 6:30... Late night cocktails...

Saturday has changed a bit--I have to play my church gig (5:00 rehearsal and 6:30 service--I can bail around 7:30. The gig I was going to do in Idaho Springs is off, so we can go to Jamies gig??

Sunday is church gig from 7:30 AM till about 1:00PM...

Chris Lang--are you in for anything???? :)

Hey John, it sounds like DeeJ won't be here in time for lunch tomorrow. I could meet you and Aaron around noon but I'd have to split at about 1pm. Maybe that Mexican place?

I'm going to have to miss out on Swallow Hill tomorrow evening. I'm playing a comedy show downtown.

Friday is more free for me, plus DeeJ will be here (and maybe Detric), so how about if we do lunch at US Thai, tour your studios and whatever else anyone wants to do on Friday afternoon?

Cheers,  
-Jamie

Hey guys- if you're bored Saturday:

My jazz quartet is playing at the Civic center downtown  
from 12:30-1:15pm,

and I'm playing at Ziggy's on 38th (just west of Sheridan) with  
one of the finest blues men in the world, Stanley Milton,  
9:30pm-1:30am.

I'm pretty slammed otherwise, though if I can make the Friday  
lunch, I will call John.

It would be great to meet some of you who have been a huge help  
to me over the years.

Chris

Doug has arrived, we're heading to Swallow Hill ([www.swallowhill.com](http://www.swallowhill.com)) tonight to meet up with John Macy and anyone that would like to join. Arrival probably around 7~8pm.

.....Can that one get the job done well enough instead of a digital sampled cowbell???)he he...

I would give much to be with you guys, but as allways in May, I use Euroes on 2 weeks in Greece.

Sorry, too far from Dimitros, since it will be on Creta with about 30 Scandinavian folksingers with friends. As I see, we'll be around 70 this year to start the summer this way, both young, children and "oldies" like me:-)

I could tie in some kind of joke about that "Milkshake" song here, but it would probably be really sick.

Thanks for coming out to the gig, Aaron and DeeJ, it was great to see you again!

Any time you guys want to hit Denver, eat Thai food, tour studios and talk shop again, give me a yell. That was fun!

It was good to see El Miguel, Rohde and John, too. John, I look forward to checking out your new/restored studio in a few weeks.

Cheers,
