

The Idiot Report..... ..

Number One Idiot of 2006

I am a medical student currently doing a rotation in toxicology at the poison control center. Today, this woman called in very upset because she caught her little daughter eating ants. I quickly reassured her that the

ants are not harmful and there would be no need to bring her daughter into

the hospital. She calmed down, and at the end of the conversation happened

to mention that she gave her daughter some ant poison to eat in order to

kill the ants.

I told her that she better bring her daughter into the emergency room right away.

Here's your sign, lady. Wear it with pride.

### Number Two Idiot of 2006

Early this year, some Boeing employees on the airfield decided to

steal

a

life raft from one of the 747s. They were successful in getting it out of

the plane and home.

Shortly after they took it for a float on the river, they noticed a

Coast Guard helicopter coming towards them. It turned out that the chopper

was homing in on the emergency locator beacon that activated when the raft

was inflated. They are no longer employed at Boeing.

Here's your sign, guys. Don't get it wet; the paint might run.

Number Three Idiot of 2006

A man, wanting to rob a downtown Bank of America, walked into the branch and

wrote this: "Put all your munny in this bag." While standing in line,

waiting to give his note to the teller, he began to worry that someone had

seen him write the note and might call the police before he reached the

teller's window. So he left the Bank of America and crossed the street to

the Wells Fargo Bank. After waiting a few minutes in line, he handed his

note to the Wells Fargo teller.

She read it and, surmising from his spelling errors that he wasn't the brightest light in the harbor, told him that she could not accept his

stickup note because it was written on a Bank of America deposit slip and

that he would either have to fill out a Wells Fargo deposit slip or go back

to Bank of America. Looking somewhat defeated, the man said, "OK," and left.

He was arrested a few minutes later, as he was waiting in line back at Bank

of America.

Don't bother with this guy's sign. He probably couldn't read it anyway.

#### Number Four Idiot of 2006

A motorist was unknowingly caught in an automated speed trap that measured

his speed using radar and photographed his car. He later received in the

mail a ticket for \$40 and a photo of his car. Instead of payment, he sent

the police department a photograph of \$40.

Several days later, he received a letter from the police that contained

another picture, this time of handcuffs. He immediately mailed in his \$40.

Wise guy..... but you still get a sign

Number Five Idiot of 2006

A guy walked into a little corner store with a shotgun and demanded all of

the cash from the cash drawer. After the cashier put the cash in a bag, the

robber saw a bottle of Scotch that he wanted behind the counter on the shelf. He told the cashier to put it in the bag as well, but the cashier

refused and said, "Because I don't believe you are over 21." The robber

said he was, but the clerk still refused to give it to him because she didn't believe him.

At this point, the robber took his driver's license out of his wallet

and gave it to the clerk. The clerk looked it over and agreed that the man

was in fact over 21, and she put the Scotch in the bag. The robber then ran

from the store with his loot.

The cashier promptly called the police and gave the name and address of

the robber that he got off the license. They arrested the robber two hours

later.

This guy definitely needs a sign.

Idiot Number Six of 2006

A pair of Michigan robbers entered a record shop nervously waving revolvers.

The first one shouted, "Nobody move!" When his partner moved, the startled

first bandit shot him.

This guy doesn't even deserve a sign

## Idiot Number Seven of 2006

Arkansas: Seems this guy wanted some beer pretty badly. He decided that he'd

just throw a cinder block through a liquor store window, grab some booze,

and run.

So he lifted the cinder block and heaved it over his head at the

window. The cinder block bounced back knocking him unconscious. It seems the

liquor store window was made of Plexi-Glass. The whole event was caught on

videotape.

Yep, Here's your sign
