Hi all.

Its been a while since i dropped round these parts. By looking at my login details, since 2009..

Amazed to see the dedication everyone here has to Paris.. Its a wonderful thing...

I got some paris bits n pieces if anyone is looking..  
Just make an offer.

dave@blackbirdstudio.com.au

3 x EDS cards.

2 x Mec units.

3 x 8in cards

4 x 8out cards

3 x C16 controllers

1 x 442 interface

Even have the old G4 i used with paris..

Everything located in Perth, australia.

No problem shipping wherever.

Happy to send out pics if required..

Cheers

dave

Do you have a ball park idea of what you'd like for 8 in and 8 out cards ?

Many thanks

Oh, and any idea of what shipping to the UK might be
