da converter ,just tried it to hear it.

Most of you know that this is world class.

I am selling because this is a modular system ,accepts more AD/DA and micpreamps from Lavry which I won't need.

Secondly I only do 44.1khz so this is 96khz capable system and I have won a 44.1khz used Mytek from ebay so I cannot keep both.

I am sure that this will sound a little better than the mytek but I believe this won't be much while mytek have a great reputation too...

Please make me an offer...

This unit has the modular 1u case and one da module installed so it can be
