Pretty soon it's gonna be like that scene in Waterworld where the drifter tries to trade Costner a few sheets of dry paper for the women. "Look, it's PEEEYper... a whole clan's lifetime collection. Diya ever smell anything like that? <snif, sniff> Peyper, see, it's PEEEEYPER!"

"It's TEEEYPE!, TEEYPE, man! Diya ever smell anything like tha'? <snif, sniff>. I'll treede ya one roll of 456 for all the women!"

lol
