Hey Ted,

Got it and replied. Sorry, I need to hang out here more often and check my pm's.

Cheers,

TC

You can turn on instant email notifications of PMs (and/or subscribed threads or forums, whatever you like) in your control panel up top, by the way.

Not that I'm looking for you to have a reason to not drop by, mind you - but it's a handy convenience.

Merry Christmas to you and yours, TC!

Yes, I've got that option on now.

Merry Christmas Kerry G! Hope your having a great holiday with your family. Let's get together sometime in the new year.

Cheers,

TC
