Hey folks!

So glad to join the PARIS forum alive in the world. It just feels amazing to see the that Mr Kerry has kept this forum alive and God, what to say about Mike Audet amazing dedication and work? Seriously, No words can express how thankfull and lucky we are.

Alright, i'm looking to buy an 8 OUT MODULE card in the price range not above 90\$ per unit.

If anyone got any to propose, feel free to let me know. I'd appreciate it

Best,

MY
