Thanks,

michael blissHey there,

Black Mec and 8 input card are gone.

I have left:

1 Blue MEC \$75
1 Black Adat Card \$200

Ted I've got just one week left to raise the cash I need for some nice diamond stud earrings for my wife on our 10th anniversary. I need about \$150 more and I'll have it. I've sold just about everything else I can sell.

Pretty much all I have left are:

Black Mec in mint condition. \$75

Black Control 16 in mint condition \$65

Ableton Live 5.2 Mac/PC \$175

And for any Dudley Do Rights out there, a legit copy of Paris 3.0 - make an offer

We're cash poor right now and if I can pull this off I'll be Superman (in her eyes) for at least a month. So in the end, not only will you be helping me surprise my wife, you'll also be helping me get laid.... a lot.

Is this not a worthy cause?

If any of you don't remember me, I was on the board all the way back in June 98. I stopped using Paris in 2001, but maintained a system up until lately. Aaron Allen knows me. I'm a good guy. Help me get laid.

Thank you and good night.

PS: Pictures on request.

PSS: Pictures of the gear not pictures of THAT you perverts...Justin, I really wanna help you out with your plight! True love is so
