PX-200 \$25 - this is an unbalanced patch bay.

Ask Morgan from East Coast if you need a reference. :)

PayPal is cool with me and actually preferred.

Please take into account any shipping costs. I will ship via UPS ground unless you specify otherwise.

Hi Bob,

I am not signed up at E-Bay and I know very well that you will not have a problem selling your Paris Video on there.

Nonetheless, due to the rarity of this video (they stop making them which is a shame...) should you consider to make a copy of it before you sell it, I will be interested in buying the copy for \$25.00.
