shelm@radford.edu or call me 540-831-6624I'm selling off a bunch of gear because I'm upgrading my studio.

I have the following PARIS gear for sale.

- 1 EDS 1000
- 1 Control 16
- 1 442
- 1 IF 2

\$275.00 gets it all!

The EDS card is in excelnt shape.

The Control 16 is pretty beat up and one of the buttons sticks.

I works.

The 442 and IF 2 are in good condition.

I'm looking for someone who has all the drivers and such.

None of the original packaging.

mattmercado@comcast.netFor some reason the post said it was the year 2000.

I just posted it yesterday, its April, 19th 2006.

Its now on Ebay.

I'm selling it as and EDS 1000, works great!

The rest is a bit beat up, but still works and I'll throw it in.

Here is the link.
