Subject: Re: ASIO DRIVER current status ? Posted by mikeaudet on Mon, 09 Oct 2023 18:44:43 GMT View Forum Message <> Reply to Message

Hi Dan,

I plugged in my test machine that hosts older operating systems. I installed the first version of the ASIO driver on Windows 10, and the certificate was recognized.

I did have the date correct in Windows. Let us know if that solves the problem for you.

All the best, Mike
