Wow! After a long, long time, I finally got my 2nd CD finished and made.  
It was recorded entirely in Paris, and mastered entirely in Paris by our own Sakis. It is called, "Images of Movements thru Time and Space."

It is a bit difficult to categorize, as it has roots in jazz due to the improvisation involved, yet it also has classical and avant garde roots.

There is more information about the CD, along with some mp3 samples on my site at [www.enchantedvibrations.net](http://www.enchantedvibrations.net)

I even got Gene Lennon involved in checking out my mixes early on. I have some GREAT players joining me, including guitarist Michael Gregory. Check it out.

Lou Guarino
