Hey dudes,

We are having an event @ Georgetown Visitation school in Washington DC.

The live act just told us that we need to supply the PA. I'm looking for someone who does rentals and can supply and setup the following:

1. ___8___ Channel Mixer w/xlr and 1/4" inputs
2. ___2___ Stage Monitors

4. ___1___ Wireless Handheld Microphones
5. ___3___ Microphone Boom Stands

total performance area sufficiently,

The venue is one half of the gymnasium (regulation size basketball)

Let me know if you know anyone in the DC area that can help with this. It needs to be cheep too!

Thanks

Chuck

Hey Chuck,

try Jeff Wagner at Wagtech - <http://www.wagtechsound.com/sound-lights.htm>.

He's a good guy, has good gear and good people working for him. I think he's also reasonably priced... he's certainly a lot cheaper than Maryland

Sound!
