I sent them a mail 10 days ago and still no response.

Did you remember to include you EDS serial number and 3.0 key numbers? They won't respond without both of those pieces of information.

Thanks!
This is a transfer from another owner and not related to my EDS card.
It just a softwaretransfer.

OK I will try that...
I have to open the computer...

Why don't ID give the info.
It should be so easy
Are they arrogant....?
