Subject: FS:ADAT CARD(Blackface) \$150 plus ship Posted by jonji on Wed, 14 Apr 2010 20:59:27 GMT View Forum Message <> Reply to Message

Hi There - Nice to see the PARIS dudes still going strong.

I'm selling off my revered Paris rig. This ADAT card is the last of it. It's in excellent condition and comes with the original packaging and manual.

\$150 and shipping. Prefer to ship to contenental US.

Thanks and best of luck, Jon
