Hey All ,

Awesome having my power going off for from Sunday to Monday and having it go off and on all day today.
But least where I'm at is near some hospitals so the power got back on back on faster than most of the area. ADK might be closed the whole week. Hope not need a pay check!!..
But at least I'm luckier than some in the area.

Sorry for your suffering, Chris. My sister-in-law had some siding damage on her house and her bbq got blown over. They lost power too, but I think they are back now. Wouldn't be so tough, but they have a newborn there, so no power is a scary thing.

Good luck getting back to normal.

I've lived in this house since Dec 2005.... and my power's junked out for more than a day (over a week and a half during the ice storm last winter when _everyone_ was down) 3 times now.

I bought a small generator bro. Been the best thing I could've done. Best of luck to both of your families in getting back up soon - no power is a real drag.

That sucks, man. I feel your pain: the dew on my lawn chairs wasn't completely dry this morning and my robe got a little wet. I hate weather! ;-)
