I have two complete PARIS systems #1 has Mac G4 750 with 2EDS 1000 cards 2 of the one rack space interfaces I'm not sure what the model number is but they only made two interfaces the MEC and this one

#2 has a MAC G4 dual 1000 with 2EDS Cards and 2 control 16 surface blue 2 MEC's Ihave an extra control 16 black face they both have the latest PARIS software installed and they sync up

I'm just trying to see what I can get for this stuff

the gear is in San Jose CA.
I am in Beijing I will be going back home sometime in July to sell somethings and move to China
I'm not completely sure that I will sell my PARIS gear but if I get the right offer.

anyone interested please feel free to contact me
