(2) Black MECS. Good condition, a few scratches, work great, one is missing 2 cover plates (unless you get the cards i'm selling, then you don't need the plates anyhow). One in original box, one not. \$150 each + shipping

(2) Black C-16s. Very good condition. No cables included unless you REALLY need black ethernet cables. \$125 each + shipping

(3) EDS 1000. Will include xover cables with 2 of them. One in original box, two not. \$250 each + shipping

(1) 8-IN Card. \$300 includes shipping in US

(2) ADAT Cards. One black, One blue. \$250 each , includes shipping

(1) SMPTE Card. Black. \$125, includes shipping

Would prefer PayPal with 3% to cover fee. Might be able to accept MO, but ask me 1st. Only ship to US addresses - no PO Box. If you want insurance. I will insure. I will also consider trades for the following items:

TC Powercore stuff

UAD-1 cards

MOTU Timepiece AV or express USB

MOTU interfaces - late mod only, 2408, 896, 24io, etc

UXF and ADAT I/O for Mackie d8b

>Hi Steve,

Let me know if you are flexible on the price for the eds cards... I'm just
looking for a backup... just missed one on ebay for \$155 so I've been keeping
my eye out for one. Also need a control 16 if anyone has one..

All the best,

Jim
