It looks like we should be fixed as of Monday evening here (GMT+10)...

....so for our greater population of North American residents you'll all wake up next Monday and we should be cool. :o)

Cheers,
Kim.

No problem at all...

....we seem to actually have a more solid connection this morning for some reason in any case. Hasn't rained for a bit and it's a mild day. Perhaps that's it...?

Cheers,
Kim.
