I bought it brand new from a guy who bought a bunch of Bundle III's from

EMU. It is brand new. I only hooked it up to confirm that it works.....and

it does fine. It has less than 1 hour of use. All manuals and cables included.

\$700.00 or Best Offer plus shipping. Just to let anyone know, these guys had my 8 in to me in an almost brand new

box in about 5 days.

I have yet to test

Yes Rob. I still have it. You are the first to express interest in it.

Jay

To reply replace diespam with jaybeltonHello all,

I decided that I'm going to give all my PARIS buddies a longer chance to grab anything on this list. I was going to post what's left on to eBay tomorrow night but I've decided that I will do this next Wednesday instead (That would be Se
