at the moment I'm keeping the bundle that would be EDS, 442, C16, and the software, but I may be persuaded to move that as well.

email me if you're interested.
-jonHi Jon,

I just sent you an email.

I'm in the process of building an 8 card 8 mec system, plus backup system.. yeah, a bit crazy I know.

Cheers,

TC

Hi,
I have two adat cards for 300 E both.
Located in Greece.
It will take around 10 days to be able to have access to my card because
I am on a business trip.
Regards,
Dimitrios
