Does anyone know if there is a studio / individual who has a paris rig in los angeles?

I'd like to hear ensoniq paris system in action if possible

There aren't any on the PARIS map yet. But it certainly wouldn't surprise me to hear there were a few.

Try Jan Stolpe

sonicartproductions@gmail.com

He was a huge Paris user in Nashville for years and moved to LA a few years ago. He may still have a rig or be willing to meet.
