y make him believe
that if he continues to work hard he will become one
of them,but he will never become one of them and
at
some point he will realize that he has been use to do the
dirty work for them. When they want the plant to be more productive he is
the one that is down on the floor pushing
the workers to do more and more work to meet their ever increasing goals
,and when they can no longer meet
them then other changes must be made,like layoffs just
for the bottom line. While he is with the big boys he
helps them solve their big problems by thinking like
them as they do let them in on how they keep the
people on the floor in line. All the time telling them how
they are so different from the people on the floor and
the reason why are is because the others just dont have
it and never will until they start thinking like them. These
are the lies that tell them and hope they pass them along to the floor people.
POwell and Rice are these such people
and Bush and Cheney are in the big office looking down.
This is just a simple way of how black people see Powell
and Rice. They support the ideas of the

Yea, my buddy sent me these, man I wish I had gone.
I am not a big Stones fan but my buddy said they put on an amazing show = 2.5h non stop with piros at the end to boot. It was held on what's = called the papal site, this natural amphitheatre once hosted 150 000 = people for pope Jean-Paul back in 85 I beleave.
