---

I made some heavy tests here...

Paris eds effects react different (sound different) under Me than in XP.

Now that is most interesting.

I checked with a B3 file and Big Eq from Paris.

Turning all the way up to 20 under Me gave a fat distorted sound.

XP !

Overall Me (well Paris under Me) sounds fatter and distorts more easily...

Please if you have a second bay disk with me and Xp try a file to hear what you get ...

I am very very curious and shocked...

Regards,

Dimitrios
