covered a couple of minor hickups in the realm of level discrepencies,,
but nothing I couldn't overcome with some quick reprogramming of the Digitech.

Things are going swimmingly. Wonderfully. Absolutely fantastically.

The unfortunate thing is that it takes a long long time to plug it all in...

hehehehehe!!!!!!!!!!...........there's always something, right? Very cool
Kim. Glad you've got this going finally. I've been following your posts
about this.
