I always wonder what people will be like when I have been talking to them on the net and then I am finally going to meet them. These thoughts were sorta' in the back of my mind as I was driving up there Thursday. As it turned out, I don't think I could have imagined a better bunch of folks. It was great hanging out with you guys. What a cool group of creative individuals we have here.

Thanks for the great time and hospitality....and for putting up with me.....I only drove the wrong way down a freeway once.

Aaron Allen had the camera and the temerity to take one group photo.

Thanks to DeeJ and AAron for dreaming up this vacation.

It was beyond swell to meet new faces DJ, AAron, Dedric and to have lunch with all and JamieK, John Macy, and Rohde too!

Hot Damn, I mean next time I'll order medium Thai Fried Rice.

Wish I could have been there man, but I'm all the way out here in NY and couldn't get away from obligations. Maybe we can do one on the east coast some day, preferably in the winter in FL where we can go fishing.

I was absolutely thrilled with the Denver trip, and had a blast for the entire trip. You guys all made my time away the most enjoyable. Thanks for sharing a cool hang with me.

Wasn't there some kinda non-disclosure thingy
signed about the pants and the van/sleep thing?
I sorta remember something like that...

Durango would be good. Summer time would be good. October would be spectacular if you want to watch the light show of the aspens turning around here. It's about as beautiful as anyone could possibly imagine.....plus.....the tourists are gone by then so it's relatively tranquil fro a tourist town at that time of year. October is one of my favorite months here. A trip around the million dollar hitghway loop between here/Silverton/Ouray/Ridgeway/Telluride/Rico/Delores and back to Durango. There are lots of cool goings on in Trllurdie throughout the year as well.....jazz festival, bluegrass festival, bludes festival, getshitfacedanddriveoffthesideofa2000footcliff festival.....etc.
