It's very prevalent in this area. We've had our horses vaccinated, but =
there is no vaccination for humans. People have died around here from =
this. I know a couple of folks who caught it a couple of year

>Hey Gene,

I am in this boat also... usually tracking while riding the fader for things like vocals. Which MCI do you have? I though they all came with Waters faders... did you mod that portion of the strip as well?? the reason I ask is that we are planning to de-VCA ours as the automation computer is caput.

David.
