DJ,

Thanks for the call,I've been busy going for labs and clinics and everything is going great! My blood pressure is in the normal range my weight is 173 lbs

down from 205,I'm 6'2",so life is good so far. I'll be under close watch for the next 11 weeks at UCSD medical center one of the best in the world for Kldney transplation. I pick a good place to be if you've got kidney failure.

Thanks to all for the well wishes and prayers.

respect

Nappy
