I'm not sure about that - their website has been like that for 6 months or so. I emailed them back in October, and got a generic, vague response like "check back with us soon". ?? Maybe some more people need to email them and ask for it. ?

He's come back to save us, I knew it. Man I miss the good old days.

Then just make tomorrow your best day ever.... that way THESE
will be your good old days.

Neil, aren't those lyrics to an "old" song. Seriously man I hear you and I attempt to be present in the moment, at every moment. I discovered a long time ago that we have plenty of time to be dead, but youth is definitely wasted on the young. Yup, "these are the good old days" :-)

Are you thinking of one of the lines from "Anticipation" (Carly Simon)? She sings something like: "so stay right here, 'cause these are the good old days".

I wasn't thinking of that at the time, just pointing out that any given person's best days aren't necessarily behind them - whether that statement comes from a life point of view or a DAW point of view lol.

I guess I was trying to make a DAWble entendre. :D
