Friends on this forum,

Mike, as you all know has done a tremendous amount of work for all of us. I have a lot of Paris equipment that I would like to donate to him. He's aware. I had UPS pack up three big boxes with the stuff and then told me it would cost about \$220 to ship. OUCH! I can pay for some but wondering if anyone is interested in a helping a bit. Mike and I were going to meet in Buffalo (I'm in Cleveland) but then COVID happened etc.

Anyways, what do you all think?

Thank you for your consideration
